Know God, Take ACTION

Dive Skills & Resort Training Center

Its great how the Lord continues to provide and open doors. In December we were able to continue more training for a few of the boys at CFA along with encouragement from the Philippine Air Force Officers willing to give time with them. As we survey area more we find the Lord confirming the planning and pursuit of the project for

Cesilla Masuda: PADI Course Director

Him. People are exciting to see how the Lord is working in lives of our children and those who don't know the Lord personally. The children are able to share how God has

opened doors through the training and sharing of the men. Praise the Lord for His faithfulness to us all. Please continue to pray for the children involved in the program and those who also continue to share their time and talents. Especially thankful for Cesilla Masuda who is a local Japanese Course Director for PADI who has opened her shop and business to our children for livelihood and training. Skills such as boatmen, soap makers, shop operations and more.
